AUSTRALIANA COLLECTION

Join us for a journey showcasing inspiring West Australian natural stones, reflecting the colours of Western Australia's majestic landscapes.

The Pilbara in Australia's northwest, is a true powerhouse to create natural stone. The area spreads over 500,000 square kilometres of unique and breath-taking natural landscapes Our vast range of Pilbara marbles reflect the unique tones & patterns of our outback from stunning red canyons to the peaceful jade green plunge pools of Karijini National Park.

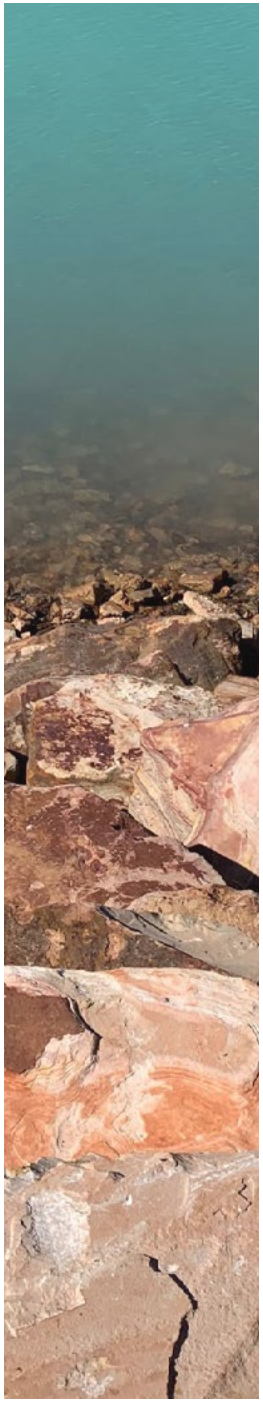

Evoke emotions & be inspired by our homeland.

AUSTRAL DREAM

marble | slabs & tiles

A unique creamy marble that can also throw a mixture of frosted blue, green and grey tones, its movement is reminiscent of the rugged North Western Australian coastal landscapes.

Tones of Austral

Austral Dream Dark
Rugged movements of bold teal & blue cast shadows aginst the soft delicate cream rivers of colour.

Austral Dream Classic
Timeless elegant movement combined with the quintessential cream tones that makes marble so dreamy.

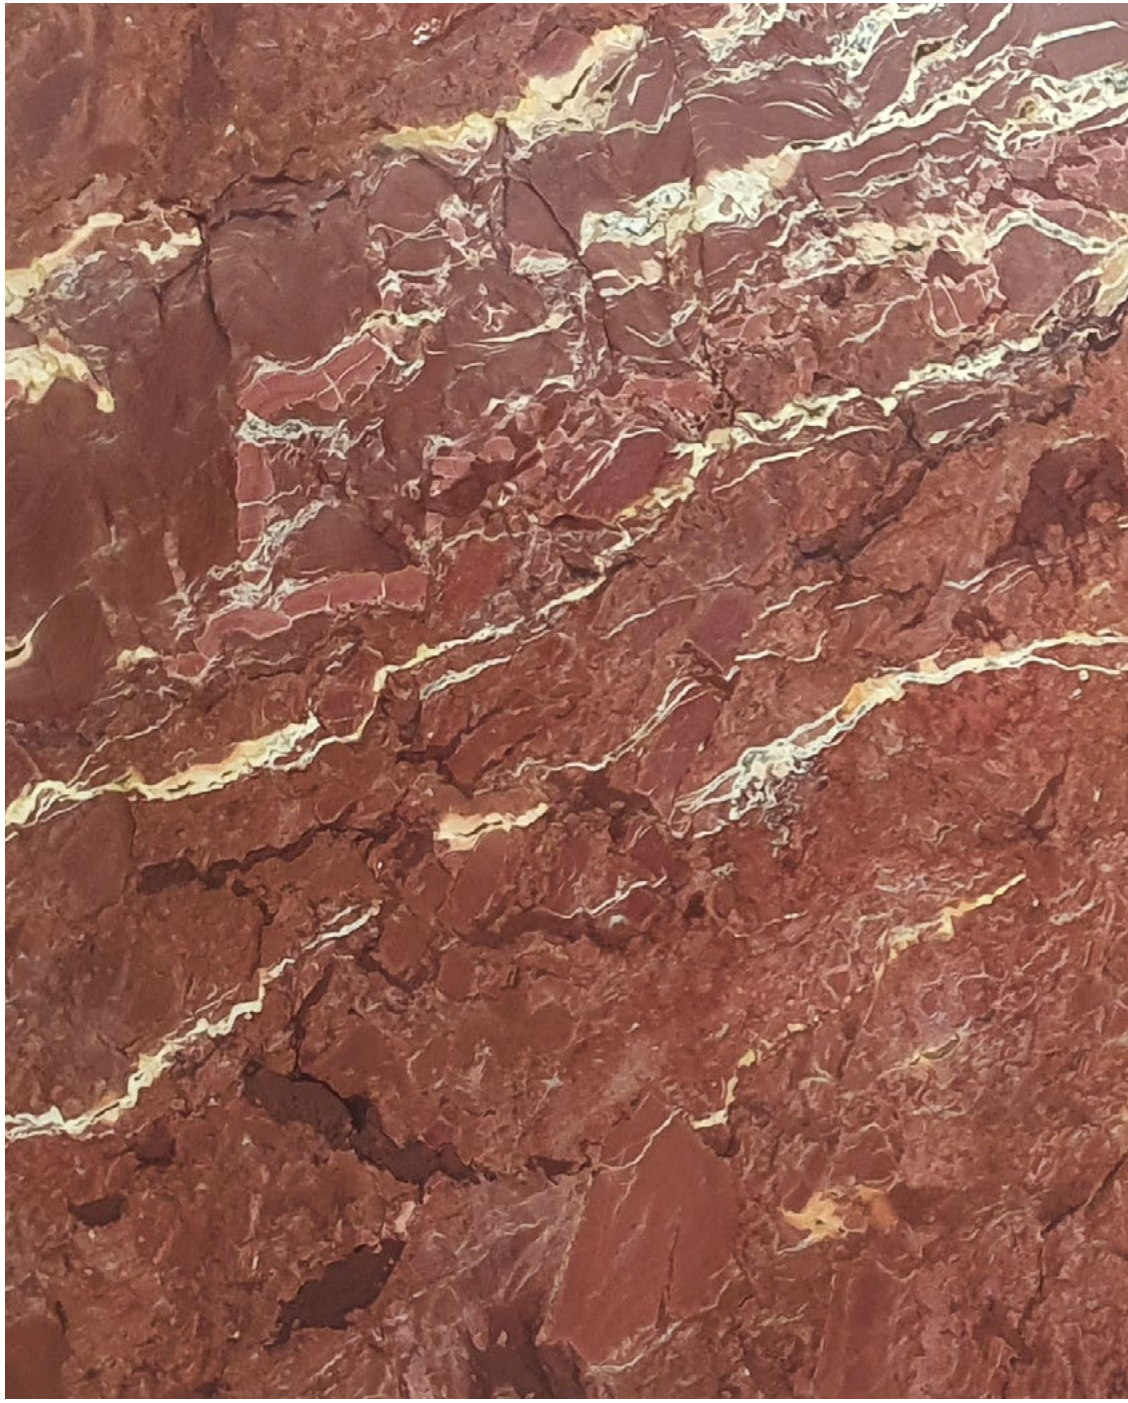

Austral Dream Light
The lightest of shades and movements for minimalist designs.

PILBARA RED

marble | slabs & tiles

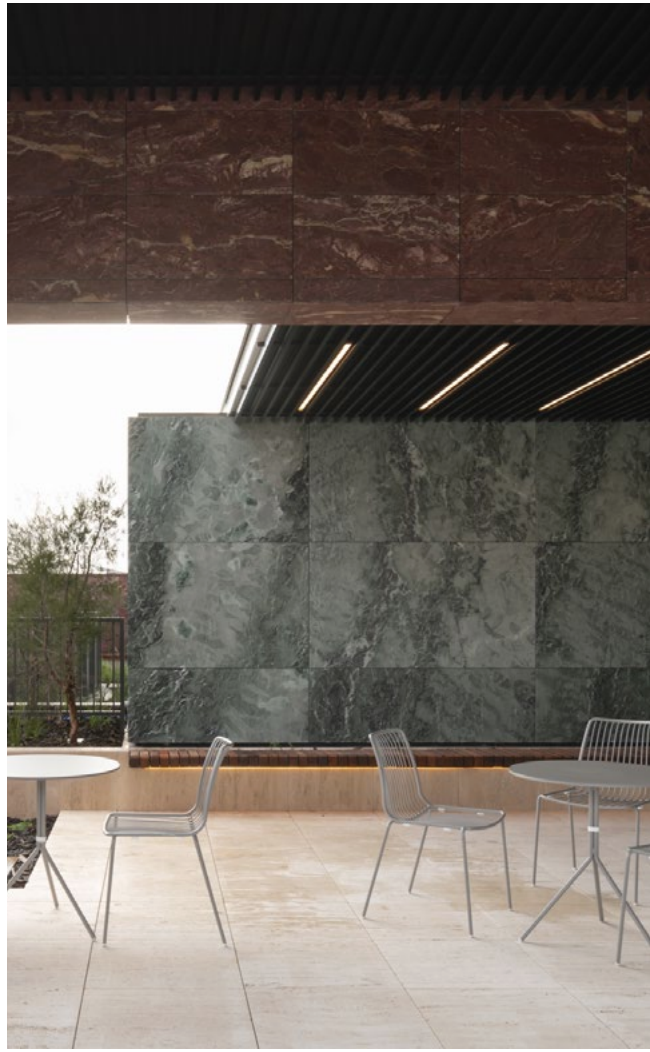

The Pilbara Red evokes the rich, warm tones of the Australian outback from where it is quarried. Deep burgandy hues paired with striking highlights of white and cream veins unfold in a natural serenity of discovery.

Rhodes House

Cameron Chisholm Nicol | Dion Robeson
The primary street elevation features vertical perforated metal fins ‘bookended’ by two large Pilbara Red marble arched elements, one of which forms the main entry.

PILBARA GREEN

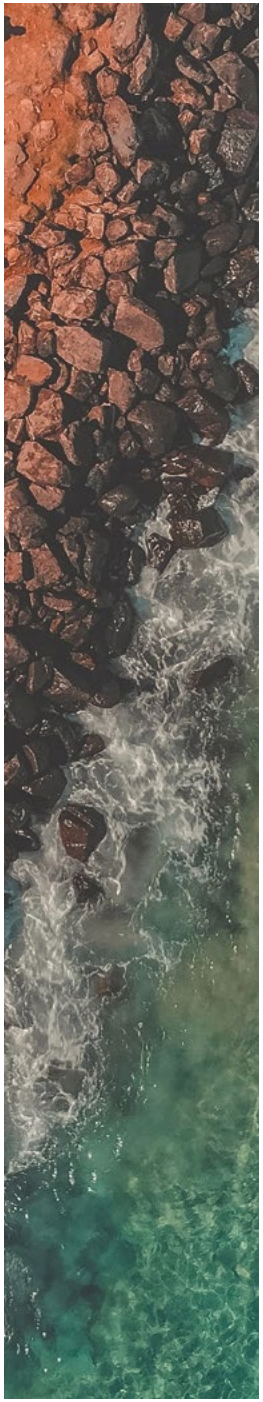

marble | slabs & tiles

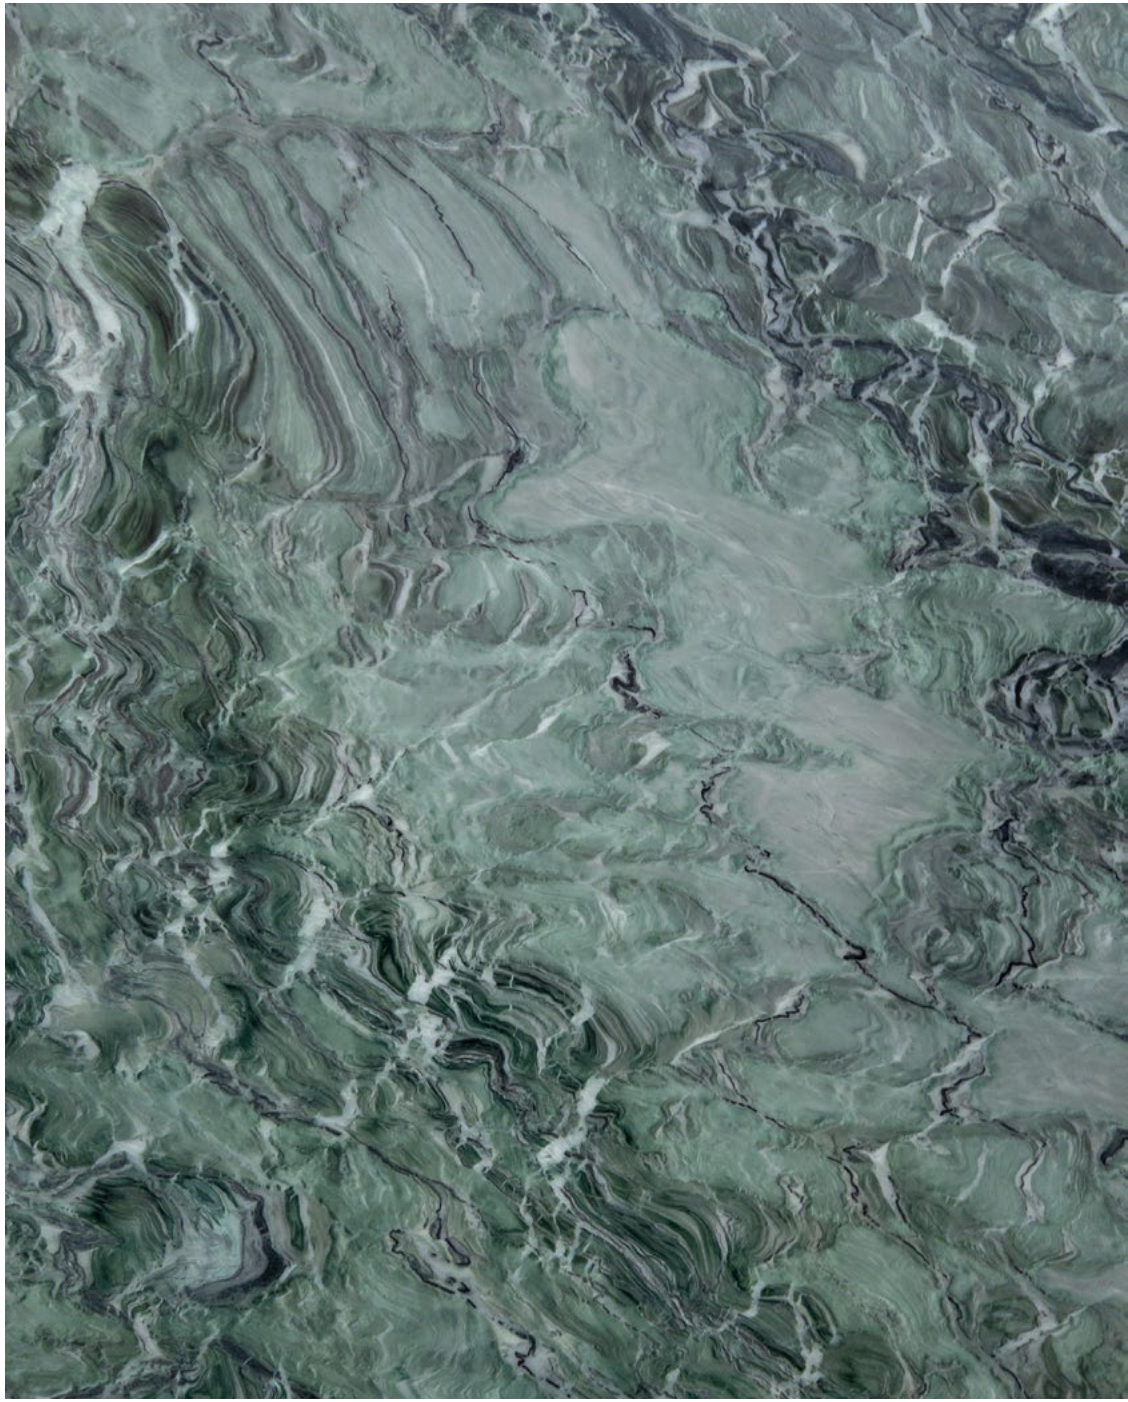

Evershifting and aways moving the veins of Pilbara Green covey emotion and personality. Combined with a kaleidoscope of jade greens to reflect the spirit & history of the Pilbara.

Incorporation of the magnificent Red and Green Pilbara Marble soar from floor-to-ceiling of the expansive build, the material was selected for the principal facade expression for its material beauty and robustness, as well as having ties to DFD Rhodes' beginnings.

PILBARA GOLD

marble | slabs & tiles

The Pilbara Gold Marble reflects the sun with it's golden undertones rippled with soft white and grey hues.

MINLYA DREAM

marble | slabs & tiles

Dusty silver tones provide a resting place for the delicate veins that create a broken affect accross the marble's surface.

ARGYLE PEARL

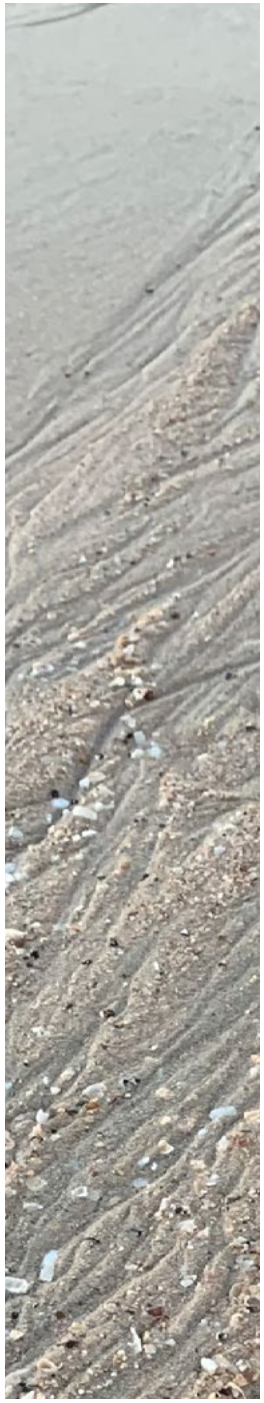

marble | slabs & tiles

Warm rose pink tones mixed with dusty whites create an idyllic coastal santuary. Featuring background colours that shift with changing seasonal light, imitating the moving layers of Pilbara's sand dunes.

AUSTRAL VIOLA

dolomite | slabs

Austral Viola showcases a luminous backdrop complemented by delicate veining in rich violet, mauve and soft grey tones. Its natural patterns flow effortlessly across the stone, creating an organic sense of movement and depth. The interplay of subtle colour variations and expressive veining brings a distinctive elegance to any interior, balancing understated sophistication with the captivating beauty of natural stone.
